FISCAL REVIEW COMMITTEE**

FISCAL NOTE

HB 208 – SB 1283

March 3, 2011

SUMMARY OF BILL: Expands the authority of animal control agencies to use unclaimed spay or neuter deposits to defray operational expenses of spay or neuter programs.

ESTIMATED FISCAL IMPACT:

NOT SIGNIFICANT

Assumptions:

- Currently, deposits forfeited to animal control agencies by persons failing to timely spay or neuter their adopted dog or cat are being divided between spay and neutering education programs and costs of supplies necessary to perform the procedures.
- Because the proposed bill will not change the existing practice, there will be no fiscal impact on state or local government.
